

Our Musical Morning of Trivia and Dance

On September 30th, we successfully hosted a high-spirited and engaging event! It's always wonderful to see each other, even if it is virtually.

Here are the highlights from this fantastic event:

- **Marilyn Correa** started the event by remembering the children who died in residential schools throughout Canada
- **Irwin Coutinho** facilitated an entertaining game of *Identify the Ontario Landmarks*
- **Vanmali Poojari**, who is a friend of Juliet Matkar, honoured us by performing a classical Indian dance called *Bharat Natyam* in a video clip
- **Cheryl D'Croix** led a lively game of *Name That Tune*
- There was also time to socialize, get refreshments, and watch British Comedy and dancing clips from TikTok.

We received many wonderful messages from our attendees, and we're so glad the event was enjoyed by all. On behalf of the committee, THANK YOU for joining us!
